

Pearl Trust

Pearl Trust's goals are to be the market leader for non-bank property investment opportunities and provide continued and sustainable investment returns through all market cycles.

About Us

Pearl Trust is an established non-bank finance provider to the New Zealand property finance sector, providing a full range of secured debt and equity funding facilities for small and large property clients. Pearl Trust is a recognised market participant, with extensive relationships, broad sector knowledge and the track record and experience to provide well-structured facilities with consistent risk weighted returns managed on behalf of its private and institutional investors. Pearl Trust is also an active investor, co-investing alongside its investors, providing an alignment of interests and an ongoing commitment to the hands-on management ethos which underpins Pearl Trust's success. Leading New Zealand investment banking firm Jarden (formerly FNZC), became a 50% owner and joint venture partner in January 2025, bringing corporate strength to brand, a long term commitment to the business and the non-bank finance sector where it sees significant growth opportunities. We are proud to be small, focused, and in control. Our reliability stems from this lean structure. We are highly selective and this gives us the ability to provide an optimum personalized service at all times.

How to get Started

To make a investment you must first become a member of Pearl Trust. Once you are signed up, you can make your first deposit. All deposits must be made through the Members Area. You can login using the member username and password you receive when signup.
